Reelect Sullivan to RCC Board of Education

After serving on the Rogue Community College Board of Education, Zone 1, Claudia Sullivan is running again. Why? Because she has a sound understanding of the college, a board member's role, and is committed to Rogue Community College.

Claudia worked at the college for 24 years and retired as the director of enrollment services. She has been an advocate for student success and has a thorough understanding of the college budget.

She has seen the decline of enrollment during the pandemic and now its growth. She has supported the allied health building and expansion as well as manufacturing and technology on the Table Rock Campus.

The best vote for the college and the job training programs it offers our community is to re-elect Claudia Sullivan to Rogue Community College's Board of Education.
