

## **Elect Long to Grants Pass School Board**

Juliet Long is the right choice for the Grants Pass District 7 School Board! Her educational credentials, experience on the Grants Pass School District's budget committee and her experience with RCC would be huge assets to the school district.

I personally interacted with Juliet when she helped our environmental services company set up an apprenticeship with RCC. Together we were able to have students get hands-on experience in a real-world work environment.

It's this type of cooperation between school districts, community colleges and the community that will prepare our children for productive careers and lives. For these reasons and many more, I urge you to vote for Juliet!

**GARRY PENNING**
