[Need help signing in?](#)

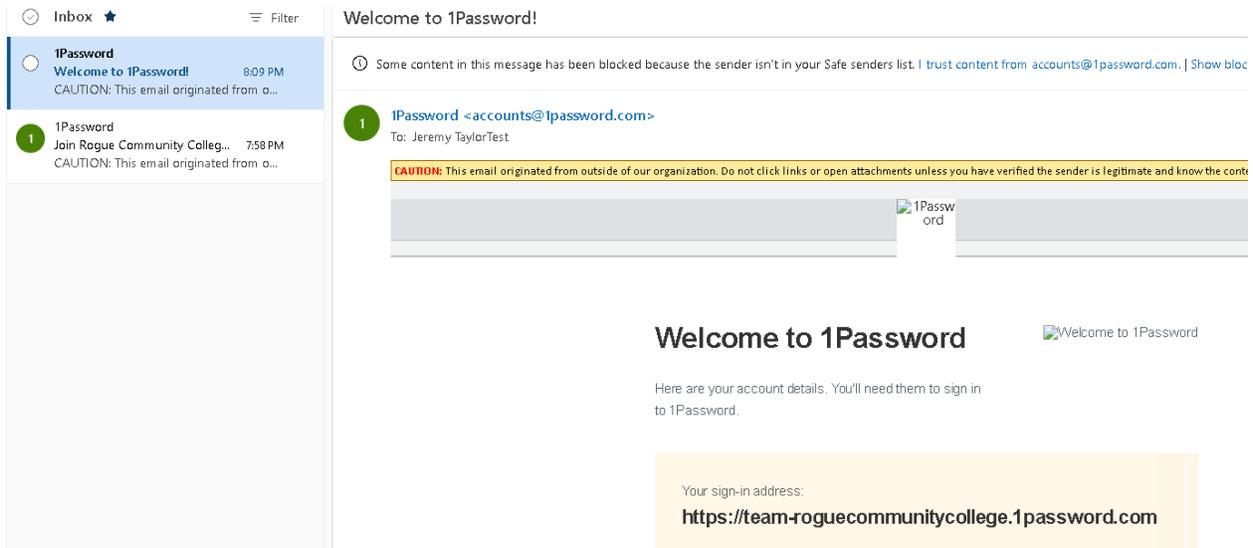

- 5. Enter your RCC password ** Please don't share your password with anyone ****
- 6. Click Okta Verify**
- 7. You will be returned to an Almost There website:**

Almost there!

Your information has been saved, and your account administrator has been notified to complete the registration process.

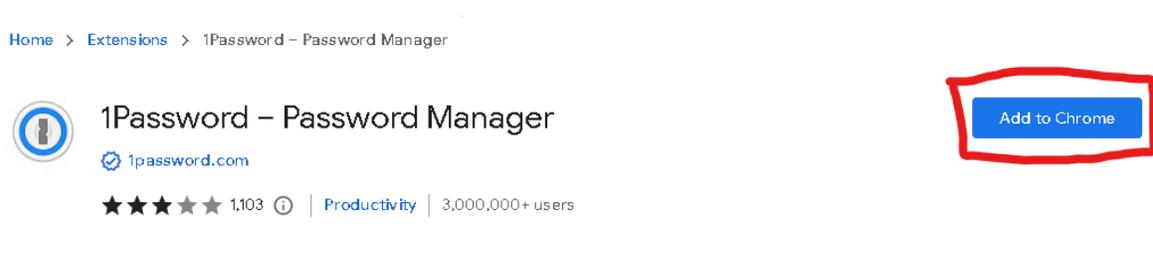

You'll receive an email when you can [sign in](#).

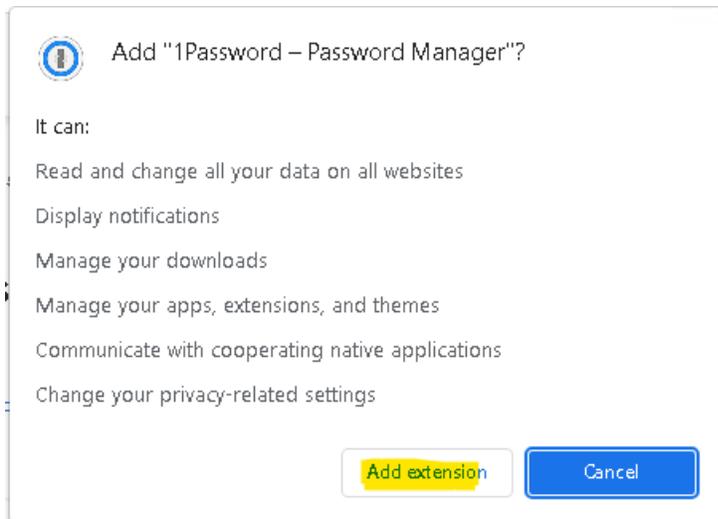

8. Your account is being created and it takes a couple of minutes to finalize the account. Once your account is ready, you will receive a second email as show here:

9. Click on the orange box to sign in and install browser extensions for your favorite browser.

Click add to browser in the let's get started area:

Import your passwords from LastPass:

Move your passwords in

You can import passwords from your browser or another password manager, such as Google Chrome or LastPass.

[Import your passwords >](#)

You will need the 1Password application install on your PC. Please contact the help desk to get the application installed – helpdesk@rogucecc.edu
