
RCC Invites Citizens to Revive the Rogue Bowl Festival at Redwood Campus

Rogue Community College is inviting the public to a weekend event to help revive the Rogue Bowl on its campus just southwest of Grants Pass.

The community festival is set for Saturday from 2 to 8 p.m. at RCC's Redwood Campus located at 3345 Redwood Highway.

The festival will help kick-off a multi-phased, multi-year campaign to revitalize the Rogue Bowl to bring it into ADA-compliance with a refurbished stage and ramp access, infrastructure for modern sound and lighting, increased capacity, additional parking, a ticket booth, a variety of entry points and more restrooms.

The event will feature "live" local bands throughout the day, a food truck row, "live" theater by Barnstormers and others, Kids Zone with fun activities and crafts, cornhole and bingo games, and Rogue Bowl tours.

There will also be a "donation station" where citizens can purchase a brick or star that will memorialize your name or business as well as T-shirts for sale. If it gets hot during the festival, there will be cooling stations.

Put on your sunscreen and bring a chair for RCC's Revive the Rogue Bowl on Saturday!
