Beginning Jewelry and Metalsmithing

Develop beginning level skills in jewelry and metalsmithing techniques while creating unique pieces for gift giving and personal use. Participants work at their own pace, learning to use tools to cut, texture and join metal with rivets as well as being introduced to lost wax casting and silver soldering. Materials list will be provided before class.

Advanced Jewelry and Metalsmithing

After learning the fundamentals of metalworking in beginning level, participants may select an independent area of project/process to develop more in-depth skills in casting, silver soldering, bezel stone setting and other techniques in an informal atmosphere. Participants may use facilities to explore techniques such as mold making, etching, enameling and metal forming techniques including die forming and chasing and repousse. Supply list will be provided before class.

RCC is an open institution and does not discriminate. For RCC's non-discrimination policy and a full list of regulatory specific contact persons visit the following webpage: www.roguecc.edu/nondiscrimination.

If you experience a disability that may require some accommodation in order to participate in a Rogue Community College class or activity, please notify the RCC Access and Disability Resources office at 541-956-7337 or accessoffice@roguecc.edu at least 5 business days in advance.
