Discover the Possibilities at 3 RCC Campus Open House Events This Month

Rogue Community College invites the public to explore its campuses and programs at three free open house events this month.

The events are designed to help future students and their families explore what RCC has to offer -- from academic programs and high-tech learning spaces to hands-on support with admissions, registration and financial aid.

Events will be held at all three RCC campuses. The first is next Tuesday from 10 a.m. to 2 p.m. at the Riverside Campus in Medford and the second is Thursday from 3 to 7 p.m. at the Table Rock Campus in White City.

The third open house is scheduled for August 26th from 10 a.m. to 2 p.m. at the Redwood Campus in Grants Pass. The Redwood Campus event will also celebrate the grand opening of RCC's newly-remodeled E Building, which will offer allied health classes. A ribbon-cutting ceremony will be held at 10 a.m..

Each open house is designed as a flexible drop-in experience with something for everyone -- future students, families, working adults and even retirees. Participants who pre-register at "roguecc.edu/openhouse" will be eligible to receive a gift at check-in.

Open house visitors will be able to tour the campus, meet instructors and learn about the application process as well as financial aid, scholarships and military benefits. Seniors over the age of 62 are invited to learn about the college's Lifelong Learner opportunities.

RCC registration is open now for fall term. Classes begin September 29th.
