RCC to host open house events in Medford, White City and Grants Pass

Daily Courier

Prospective students, working adults and retirees can explore possibilities for their academic futures at open house events this month on all three Rogue Community College campuses.

Visitors will be able to get information about RCC's academic programs, tour the campuses, classrooms, labs and shops, meet instructors and learn about the application process as well as financial aid, scholarships and military benefits.

Seniors over the age of 62 also can get information about the college's lifelong learner opportunities.

Events will be held at all three campuses:

- Tuesday, 10 a.m. to 2 p.m., Riverside Campus, 114 S. Bartlett St., downtown Medford.
- Thursday, 3-7 p.m., Table Rock Campus, 7800 Pacific Ave., White City
- Tuesday, Aug. 26, 10 a.m. to 2 p.m., Redwood Campus, 3345 Redwood Highway, Grants Pass.

The Redwood Campus event will also celebrate the grand opening of RCC's newly remodeled E Building, which will offer a variety of healthcare career classes. A ribbon-cutting ceremony is set for 10 a.m.

Each open house is designed as a flexible drop-in experience. However, participants who register in advance at tinyurl.com/uty49pc9 will be eligible to receive a gift at check-in.

Fall term classes begin Sept. 29; registration is open.
