RCC ready to honor grad who's outstanding

The Rogue Community College Foundation will be honoring an outstanding RCC graduate at an awards ceremony next month.

Foundation officials are looking for graduates who are making significant contribution to their community, whether through civic involvement, volunteerism or public service, or in their business, profession or other vocational field.

Nominations for the foundation's 2025 Outstanding Alumni Award are open through Aug. 25.

Information about award criteria and a nomination form can be found online at roguecc.edu/foundation.

The chosen nominee will be honored during RCC's President's Circle Reception in September.

Questions may be directed to Faina Hopkins at 541-956-7293 or fhopkins@roguecc.edu.
