RCC HEALTH BUILDING. Rogue Community College is offering tours of its newly renovated Allied Health Training building at the Redwood Campus in Grants Pass on Tuesday, 10 a.m. to 2 p.m.

The chamber of commerce will begin the celebration with a ribbon-cutting ceremony at 10 a.m.

The public is welcome, but health industry employers may find the tour and rundown of academic programs in health, especially interesting.

The RCC Redwood Campus is at 3345 Redwood Highway. Parking in the Rogue Auditorium lot is nearest to the building, aka the E Building.
