### 50 YEARS AGO

- **Oct. 7, 1975:** "Library Uses Studied For County Inmates"

"A group met recently in Grants Pass to set basic operation policies and procedures for the Jackson-Josephine Jail Libraries Project.

"The project, the fifth to get under way in Oregon, is a cooperative effort involving the American Association of University Women, Rogue Community College, the Jackson and Josephine County Library systems and the Jackson and Josephine County Sheriff's Departments.

"The purpose of this project is to establish library information centers for the use of prisoners in the city and county jails in Grants Pass and Medford. ..."
