This addendum is prepared to provide clarifications and answer the following questions posed to bidquestions@roguecc.edu.

Q: I wanted to confirm that we are required to submit signed copies of the attachments?

A: Yes, the attachments are considered part of the proposal requirements and should be completed and submitted with your response. While the evaluation criteria notes agreement upon submission, the completed attachments help ensure all required certifications and acknowledgments are formally documented.

This would include the Non-Collusion form, which does require notarization.
