MEDFORD, Ore. (Aug. 4, 2026) — Rogue Community College is inviting prospective students, families and community members to explore its academic programs and student resources during a series of free open house events at its three campuses later this month.

The events, scheduled throughout August in Medford, White City and Grants Pass, are designed to help individuals learn more about educational opportunities available at RCC, whether they are recent high school graduates, working adults seeking a career change or people returning to college after time away.

Visitors will have the opportunity to tour campus facilities, meet instructors, explore career and technical education programs, and attend information sessions covering admissions, registration, financial aid, scholarships, grants and payment options.

Each event will operate as a flexible drop-in experience, allowing attendees to connect with academic advisors and faculty while learning about RCC's degree, certificate, transfer and workforce training programs.

Program highlights will include business, computer technology, dental programs, early childhood education and manufacturing.

The open house schedule includes:

- **Tuesday, Aug. 18**, from **10 a.m. to 2 p.m.**, at the Riverside Campus Higher Education Center, 101 S. Bartlett St. in Medford.
- **Thursday, Aug. 20**, from **4 p.m. to 7 p.m.**, at the Table Rock Campus A Building, 7800 Pacific Ave. in White City.
- **Tuesday, Aug. 25**, from **10 a.m. to 2 p.m.**, at the Redwood Campus Wiseman Center, 3345 Redwood Highway in Grants Pass.

College officials encourage attendees to RSVP in advance through the college's open house webpage.

Registration for RCC's fall term is currently underway, with classes scheduled to begin Sept. 28.
